

Listen Live: stream from your iPad.

Open a new internet browser window (eg Safari), and navigate to [2MBSFineMusicSydney.com](https://www.2mbsfinemusicsydney.com).

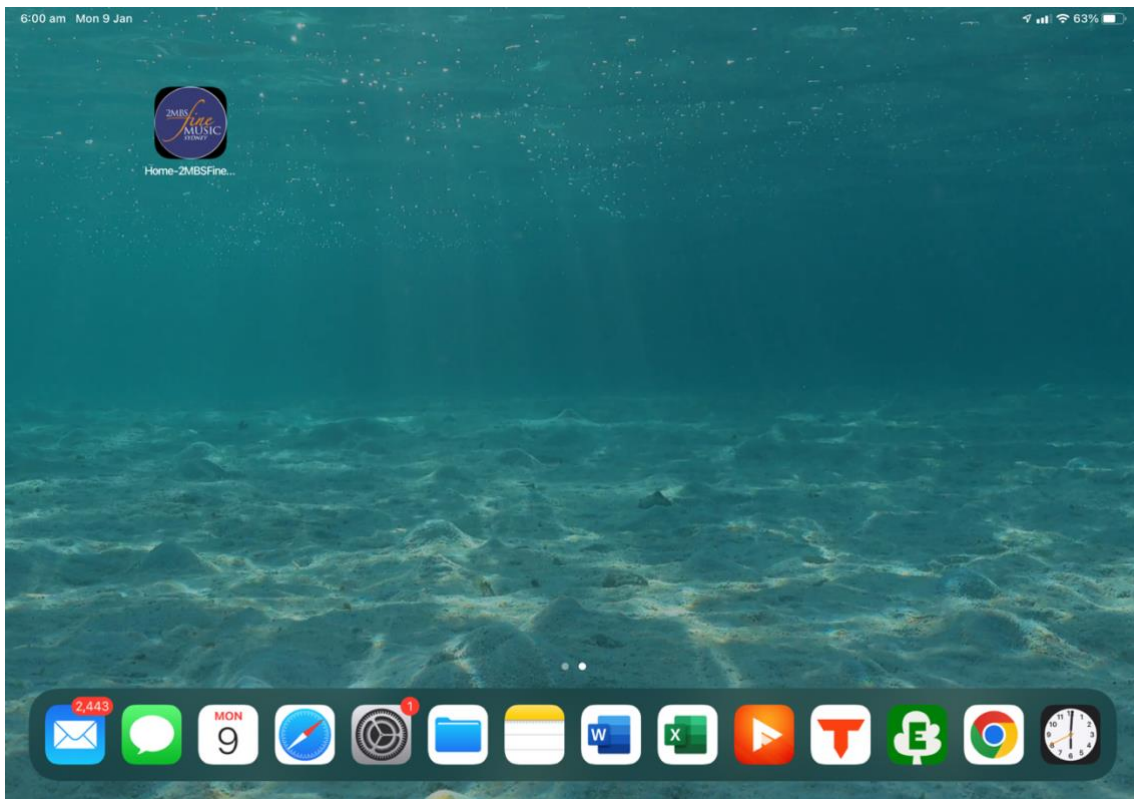

From the top menu, select the **Share icon**, and then select **[Add to Home Screen]**.

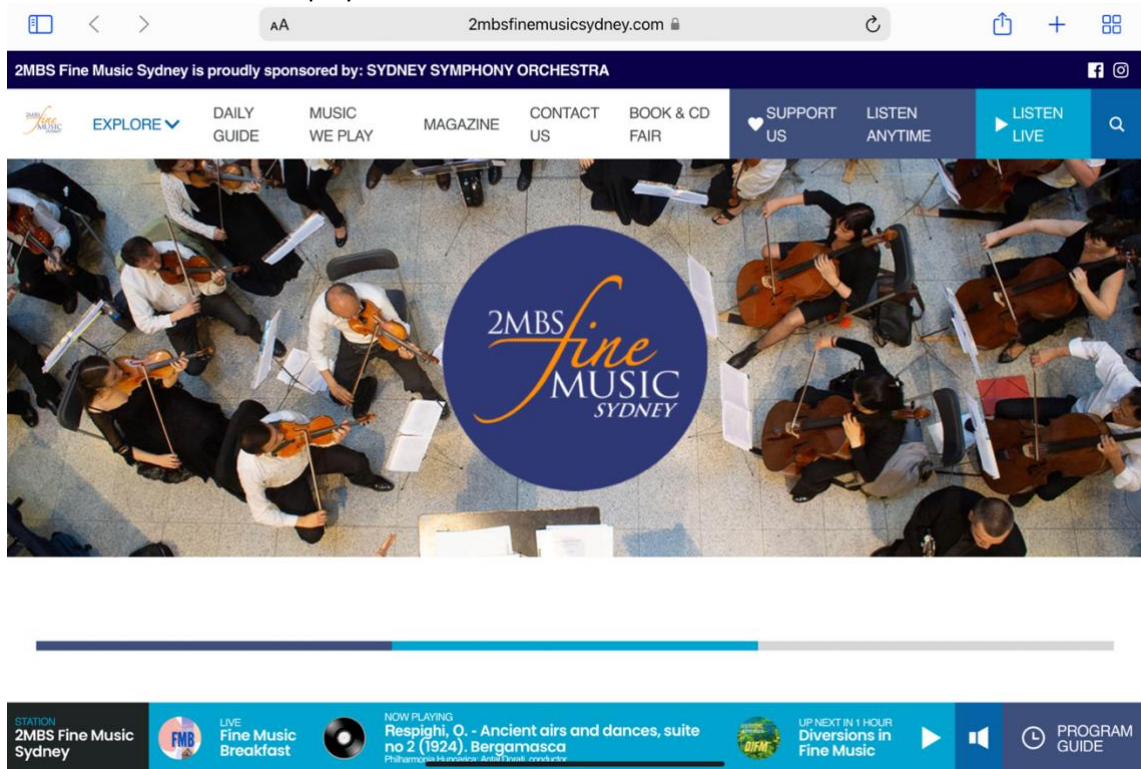

Then select **[Add]**. And a new icon on will appear on your Home Screen.

Tapping this icon will open a new Safari tab. Just tap [**Listen Live**] and enjoy the current broadcast, with the current track displayed at the bottom of the screen.

We trust that you will enjoy our [**Listen Live**] stream, direct from 2MBS Fine Music Sydney. You will see the details of the current musical track in the screen footer, where you can change the volume and pause your listening.

You can explore our website without an interruption to your listening. Try the [**Daily Guide**] listing of all the music being played today, over the last week, and over the next couple of days. Catch up with our monthly [**Magazine**], and read the range of feature articles.

Or you can open another browser window to explore the internet. If you want to continue listening while opening other apps, please ensure that [**Settings**] [**General**] [**Background App Refresh**] for Safari is switched [**On**].
